

Beaumont Tennis Club AGM 2026: Senior Coordinator's report

BTC had 4 teams competing in the SATA Winter 2025/26 competition in Div 3 ,5, 8 and 13.

Finals appearances by Div 3 and Div 5.

Unfortunately, ultimate success didn't come our way!

Presently we have 5 teams in Div 5,7,9,12 and 14 competing in the current Winter season will 1 team consisting of solely Juniors which is well overdue and a good sign.

We had 6 teams formed for the Summer competition.

Unfortunately, our Metro 3 team disbanded early on.

For the first time in many years we have two teams nominated in the EDTA/NETA Women's competition for Div 2 and 3.

Unfortunately, we didn't win many, but plenty of enjoyment was had.

Overall success was limited unfortunately, plenty of silver medals most weeks!

It was a club policy in the event that a team is short a player, that a player from the next team/division down to fill that position. Unfortunately, this has not been adhered to which compromises the ability for the club to field higher division teams going forward.

We need the coaching staff to actively work towards improving the level of our Senior teams to retain any promising juniors in the future.

I look forward to an enjoyable and fruitful season ahead for players.
